- If you click on the [Configure This Page](#) link this box comes up. This allows you to move around the widgets to customize the look of the page to fit your preferences.
- The directions are pretty easy to follow, allowing you to place the widgets where you want, and what widgets you want on in each column. Once finished click the Save button.

- If you hover your mouse over the bluish gray dot and click it, you can configure what is in that specific widget. This will allow you to change the order of your accounts in this example.

The screenshot shows the Hoosier Heartland State Bank MyNetTeller interface. A yellow arrow points to a bluish gray dot in the 'My Accounts' widget, which has triggered a 'Configure My Accounts' tooltip. The 'My Accounts' widget displays a table of accounts with their balances and 'Info' links.

Other visible widgets include 'Account Balances' (no accounts selected), 'Alerts' (no alerts), 'Download' (select account, format, and range), 'Recent Payments' (ALLY \$640.00 on 03/18/11), and 'Recent Transactions' (KROGER -\$59.46, Frontier \$72.50, Frontier -\$72.50, KROGER -\$6.00). A 'Welcome' widget shows the last login on 03/24/2011 at 12:47:15 PM. A 'MEET SAM' graphic is also present.

- If you hover your mouse over the green arrow and click it, it will take you to summary page to view all account in this example.

The screenshot shows the HHSB My NetTeller interface. At the top left is the HHSB logo and navigation tabs for Summary, ePayment, and Options. A red navigation bar contains links for MySAM, Accounts, and Interest Rates. A yellow arrow points to a green arrow icon in the top right corner of the 'My Accounts' section, which is labeled 'View Account'.
